

## THE TEC AWARD FOR ACADEMIC WRITING

Technology Evaluation Centers (TEC) is pleased to offer students at universities and colleges participating in the TEC Campus Program the chance to win financial awards.

The TEC Award for Academic Writing will be offered semi-annually, in September and January. To enter, students must submit a paper written on a topic chosen by the professional software analysts at TEC. Entrants will receive a chance to win one of three prizes and to have their paper published on the TEC website.

The winners will be chosen by a panel of TEC analysts. The **top three** entrants will receive the following prizes\*:

In addition, the top five entries each semester (the prize winners and the two next best entries) will be published on TEC's website, under each student's own byline.

1<sup>st</sup> prize

\$500

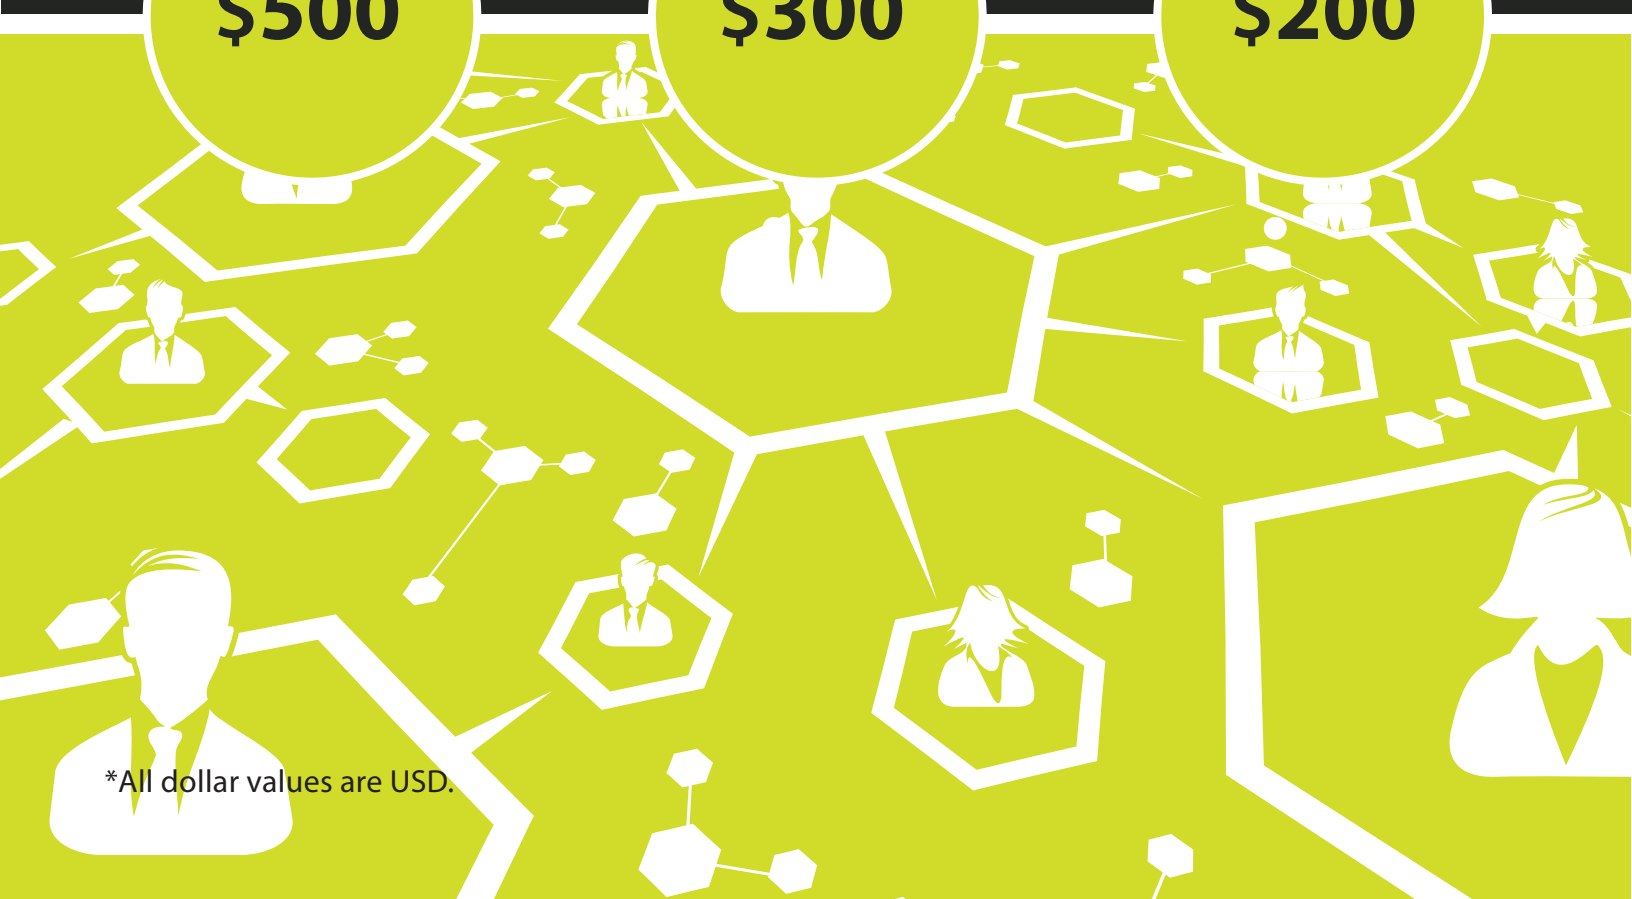

2<sup>nd</sup> prize

\$300

3<sup>rd</sup> prize

\$200

\*All dollar values are USD.

## CURRENT WRITING TOPIC AND DEADLINE

### **Topic:**

How are emerging technologies (IoT, digital transformation, etc.) impacting business, and how should companies currently evaluating enterprise software take these into account? How will these developments affect companies' needs regarding enterprise software?

Please ground your response in a specific industry—manufacturing, retail, distribution, or professional services—and/or application area—ERP, BI, SCM, or HCM.

### **Deadline:**

May 31, 2019.

**No papers will be accepted after that date nor prior to September 1, 2018.**

# HOW TO ENTER

To submit a paper, you must [be registered on TEC's website](#):

- Click on the **TEC Campus Awards** tab for instructions on how to register and submit your paper.
- If you are already a registered user, there is no need to register again. Simply sign in using your username and password and follow the instructions for submitting your paper.

On behalf of the entire TEC team, we wish all participating students the best of luck!

To access the entry form directly,

or scan this QR code:

# ENTRY RULES

- Any student submitting a paper must be currently enrolled as either an undergraduate or post-graduate student in a college or university that is a registered participant in the TEC Campus Program.
- The paper must be 1,500-1,750 words long and be submitted either as a Word or PDF file.
- Students must agree to have their name and paper published on the Technology Evaluation Centers website. TEC reserves the right to edit published entries for clarity and/or to add relevant images, charts, and graphs as it sees fit.
- Only one submission per student will be accepted per semester.
- Students who have previously submitted an entry may participate again during subsequent contests (in later semesters).
- The top five entrants (including the three prize winners) for each semester will be informed by the beginning of the following semester.
- By participating, you agree to allow TEC to publish your paper.
- Winning entrants must respect applicable tax laws.
